

Grants Management Videos

The following video resources are intended to introduce you to various aspects of managing your CIRM award, and will be useful to Principal Investigators, Authorized Organizational Officials, and Financial Authorized Organizational Officials. Each video provides a walk-through of the relevant sections of our online Grants Management System. Please contact your CIRM Grants Manager if you have any questions not covered here. We will be adding topics over time, so please check back periodically.

Click through the menu below to view the videos. For more CIRM videos, click [here](#).
